The BrickMagic Stomp Car Derby & Cool Car Contest!

The Stomp Car Derby

is a competition between two teams of 4 players each. We provide the LEGO Stomp Racers—you smack the pump with your foot, aiming the car toward a “bullseye” target to score the most points for your team. To register, just show up 30 minutes prior to the event and draw a ticket. If your ticket has a number on it, you’re on that team! On both Saturday and Sunday, there’ll be 16 teams competing (64 kids, age 16 and under), eliminating down to 2 teams for the finals. The 4 members of the winning team each day get to take home their LEGO Stomp Racer as the prize!

The Cool Car Contest is judged on the most creative use of LEGO bricks. (No stock LEGO kits allowed; your entry MUST be a custom creation.)

Bring in a car that is uniquely yours—as long as it has wheels and rolls, and is your own design, it’s eligible. There will be 20 entries in each of three groups: Ages 8 and under, 9-12, and 13-16. All entries will be kept on display throughout the BrickMagic Festival, and the top three in each category win LEGO prizes!

Register for the Cool Car Contest now at www.midtownmag.com!
